

ADEBAYO TITILAYO MARVELLOUS

Mechanical Engineering Graduate | Engineering & Technical Support

08167682525 | adebayotitilayo02@gmail.com | Nigeria | github.com/Marvywavv

PROFESSIONAL SUMMARY

B.Tech Mechanical Engineering graduate with practical exposure to maintenance support, workshop activities, inspections, technical drawing and integrated waste-treatment/biogas systems. Strong analytical, communication and problem-solving skills developed through engineering training, leadership and teaching. Currently completing NYSC in October 2026 and interested in building practical industry experience through a structured graduate trainee role in the Oil & Gas sector.

EDUCATION

B.Tech. Mechanical Engineering | Ladoke Akintola University of Technology (LAUTECH) 2019 – 2024

- Second Class Upper | CGPA: 3.59/5.00
- Final-Year Project: Investigation of Mechanical and Microstructural Properties of Interlocking Concrete Block Using Recycled Plastic Waste Blended with Cement.
- Project work involved material assessment and analysis, with statistical evaluation using ANOVA.

PROFESSIONAL EXPERIENCE

Mechanical Engineering / SIWES Intern | Elfad Concept Oct 2023 – Feb 2024

- Supported routine inspections, maintenance activities and workshop operations under supervision.
- Gained practical exposure to integrated waste-treatment and biogas systems, including basic operational processes and safety practices.
- Worked with workshop tools and supported day-to-day technical activities as assigned.

NYSC Corps Member / Teacher | Elite Champions Scholars Academy Nov 2025 – Oct 2026

- Taught Technical Drawing, Mathematics, Basic Science and Technology, and CRS at different periods during service.
- Explained technical concepts clearly and maintained organised records while working within a team environment.
- Developed communication, coordination, problem-solving and classroom management skills.

Frontend Development Intern | Ibrand Academy 2026 – Present

- Build responsive interfaces using React, JavaScript, Tailwind CSS and Vite.
- Apply structured problem-solving and attention to detail when developing and improving digital projects.

Frontend/Software Intern | ResQ-X, Lagos Jul 2025 – Dec 2025

- Developed responsive interfaces using React, JavaScript and Tailwind CSS.
- Worked on onboarding, waitlist and e-commerce features within a collaborative team.

TECHNICAL & PROFESSIONAL SKILLS

- Mechanical/Engineering: Technical Drawing, Engineering Design, Workshop Practice, Maintenance Support, Basic Engineering Analysis, Materials Understanding
- Workplace: Inspection Support, Technical Reporting, Teamwork, Communication, Problem-Solving, Safety Awareness, Willingness to Learn
- Digital: HTML, CSS, JavaScript, React, Next.js, Tailwind CSS, Bootstrap, Git, GitHub, Vite, VS Code, Figma

LEADERSHIP & SERVICE

- Vice President, Nigerian Institution of Mechanical Engineers (NIMechE), LAUTECH Chapter
- Course Representative, LAUTECH
- NCCF Leadership & Ministry Service, including Executive and Assistant Music/Drama leadership roles
- Church leadership experience including Choir Director and Organising Secretary

ADDITIONAL INFORMATION

- NYSC completion: October 2026
- Portfolio/GitHub: github.com/Marvywavv
- Available for a structured graduate training programme and willing to learn and grow within the Oil & Gas industry.
